

Just a quick, no-frills midday Update:

PROMOTIONS

The seven (7) conversions have been put into effect by Admin. Congratulations to all newly promoted members!

Some of you have voiced concerns about the LT list being exhausted and how it effects future promotions. Administration and the city have made accommodations in the past, so that members are not punished for extenuating circumstances out of our control. President Jonker has made the request to honor this past practice.

So please sit tight... soon we will have a better idea of where this is at.
